Defendants.

Plaintiff has submitted a complaint to the Court and seeks permission to proceed <u>in forma pauperis</u> pursuant to 28 U.S.C. § 1915. In order for the Court to grant the request, it needs sufficient information on which to base its determination.

Case 6:11-cv-06013-EAW-MWP Document 8 Filed 03/09/11 Page 2 of 2

Here, the documentation plaintiff has submitted is inadequate

to permit the Court to evaluate the request, because plaintiff has

neglected to have prison officials complete the required prison

certification section of the application form, without which the

Court cannot grant the request and put the case forward. Because

this section of the application form must be completed and signed

by a prison official, plaintiff may have until April 12, 2011 to

submit a supplementary application which includes a completed

prison certification section.

The Clerk of the Court is directed to send plaintiff a new

form application to proceed as a poor person.

By April 12, 2011, plaintiff must <u>either</u> submit the

supplemental application form with a completed and signed prison

certification or pay the full filing fee of \$[5 or 350 (fee)].00.

Plaintiff is forewarned that failure to comply with this order by

either submitting the supplemental application with a signed

certification section or paying the filing fee by the designated

date will result in the dismissal of this case without prejudice.

If plaintiff has not complied with this order by April 12,

2011, the Clerk of the Court is directed to close this case as

dismissed without prejudice without further order.

SO ORDERED.
